

**“We cannot stand idly by
when a tyrant tells his people
there will be no mercy.”**

– President Obama

**The U.S. has offered incentives to influence
the Sudan government to choose peace.**

But they aren't working.

**The Khartoum regime is attacking
its own people across Sudan.**

**In Darfur. In Abyei.
In the Nuba Mountains.
Through militias in the South.**

**PRESIDENT OBAMA,
When will you impose serious
consequences for ethnic
cleansing and mass atrocities?**

**Freeze assets of the Khartoum regime's leaders and their businesses.
Expand war crimes investigations. Act to protect millions of civilians.**
